

Dine/Lodging/Recreation

Friona provides lodging facilities for a night or an extended visit. Friona Inn provides 25 rooms for visitors and temporary workers. While enjoying the local hospitality, take time to enjoy a satisfying meal at one of the local restaurants - from hamburges to steaks to fajitas to enchiladas. The fare in the local restaurants offers something for everyone.

Enjoy the competition at one of several tournaments held at the local golf course. If golf is not your game, find a partner and have a competitive tennis match and top it off with a jog around the track before stopping for a snow cone, soft drink or a burger on the way home. Friona also has a municipal swimming pool and three baseball parks.

Major winter skiing is within easy driving distance of Friona. There are several lakes in the area for boating, fishing and other water sports. There is also a competitive amateur bass fishing tour in New Mexico and tournaments for the avid bass angler along with walleye, smallmouth and other gamefish angling. The beautiful Palo Duro State Park is only 70 miles away where you can sightsee, hike and enjoy the musical drama "Texas".
